Nomination for German Design Award

F1 Speaker by Concrete Audio

The F1 Flat Panel Speaker System by Concrete Audio in Weimar is now in with a chance to win this years most prestigious german design price, the German Design Award 2015.

The German Design Council recently announced the nomination of Concrete Audio's F1 model for the Computer and Entertainment subcategory of the Excellent Product Design award.

The prestigious German Design Award enjoys considerable public attention thanks to the reputation of the awarding body, the German Design Council, who have for the past sixty years represented the german design scene and for Concrete Audio the nomination alone is a gesture of the highest distinction. The award ceremony takes place in February 2015.
